- 8th** in the School of Civil Engineering, Aristotle University of Thessaloniki Savvas Athanasiadis with **17,795** units.

We congratulate all our students on their success in entering Greek and international universities, and wish them a happy and creative college life!

The distinctions of our students in European and US universities are due to the Studies Abroad program, as the Schools do not have an International Baccalaureate (IB) program.

See our students' distinctions [here](#).
